Share, spend and save at your credit union

April is National Credit Union Youth Month

National Credit Union Youth Month serves to encourage kids to develop healthy saving habits by making savings fun and exciting. This campaign is our opportunity to engage with young members and show them that we are there to help them throughout their financial journey.

“Money Magic! Share, Spend and Save at Your Credit Union” is the official theme for this year’s National Credit Union Youth Month.

This whimsical theme makes it fun for kids to save for their future and helps them find joy in setting aside a little money for everyday spending and helping others.

Congratulations
to our 2020 Board of Directors!
